

# Poem for 2017

Dear Ones:

Because poetry is not "King" George's thing - - -  
And you already know the routine;  
This will be short and to the point.

Please come to our family celebration on Christmas Eve;  
We'll eat at 1:00 and you can stay until you need to leave.  
See I told you this would be "short and sweet"!!

To Grandma:

You will be sorely missed but as we all know,  
You are enjoying the treasures of heaven and  
Your eternal reward.

You have left us with memories we'll not soon forget,  
But, mostly you shared with us the Gospel of Salvation which  
Reminds us afresh that we'll share with you someday the  
Blessings of heaven and our Savior's very presence.

We love you Mom, Grandma and Aline and we are grateful to God for your life.  
Each milestone impresses on us the footprints you left on our souls.  
Thank you again for the life you lived faithfully to your family, faith and friends,  
We can never express adequately the appreciation we have but - - -  
You showed us how to live a life of love and service.  
"Merry Christmas" to you as we carry on the torch you lite for us.

Mary  
Christmas 2017
